DEATH OF MRS. FORGENSON

Mrs. Peter Forgenson passed away on Friday evening, and funeral services were held on Monday afternoon. She was seventy years of age, and has been more or less afflicted with asthma for a long time.

More recently her ailment had been stomach trouble, resulting in inability to assimilate food, but she was not a great sufferer until near the end. Mrs. Forgenson was of English parentage. She had been a resident of Groton since the first year of the town's history, coming here from Wisconsin.

She is survived by her daughter, Mrs. Mack Graham, her husband having preceded her to the great beyond in December last.

The departed was a kindly, gentle lady, attached to her home, and one whose memory will be ever cherished by those who knew her best.
